

THERE ARE COUNTRIES SHAPED LIKE A BALL AND OTHERS LIKE A DANISH PASTRY (BUT NOT DENMARK) AND OTHERS LIKE BOOT... BUT WHO HAS EVER HEARD OF A COUNTRY SHAPED LIKE A CAT OR MOUSE? YOU'LL SAY THAT THERE IS NO SUCH THING! BUT IF YOU TAKE A CLOSER LOOK AT THE GLOBE AND SQUINT A LITTLE BIT YOU MIGHT NOTICE THAT SOME COUNTRIES HAVE DISCINT FELINE OR RODENT COUNTENANCES. OFTEN BOTH AT THE SAME TIME. SO IS IT HARD TO IMAGINE THAT LOOKING FROM A GREAT DISTANCE (SAY FROM SOME CONTINENT FAR AWAY) RELATIONS BETWEEN TWO COUNTRIES COULD LOOK LIKE CARTOON FEATURING CAT AND MOUSE?

# Preface

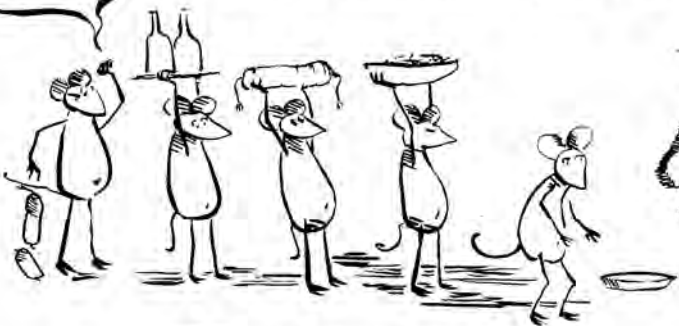

ONCE UPON A TIME  
IN A LAND FAR, FAR AWAY,  
LIVED SEVERAL TRIBES  
OF PECULIAR YET QUITE DOMESTIC  
RODENTS.

THEY WERE GOVERNED  
BY REGAL BUT  
FATALISTIC BREED OF  
EUROASIAN TURKEYS

THAT DOES IT!!!

ONE DAY IN THE DISTANT PAST ONE PECULIAR TRIBE OF RODENTS DECIDED THEY WERE NOT SO LACKING IN SPIRIT TO FURTHER BE SUBJECTED TO THE RULE OF THE MAJESTIC...

...YET TERRIBLE *Turkey* the Sultan

THEY REBELLED:  
OYEZ, OYEZ,  
PROCLAMATION
